## THE REVIEWS ARE IN

A filmmaker's film festival! [FLIC] treats filmmakers and their films with great care and respect. Well organized from beginning to end. The setting is gorgeous and because the festival is relatively small, it gave us a chance to meet and network with many other filmmakers and audience members.

- Paula Mozen, Filmmaker

Loved this festival! Had such an amazing time networking with other filmmakers & watching great films. David & Jessica put on a world class show!

- Charles Moore, Filmmaker

The Flathead community is extremely supportive of independent filmmaking, as exemplified by this festival. The staff were helpful and kind, making every filmmaker feel at home.
